

Carlisle Beekeepers Association

a local branch of Cumbria Beekeepers Association

Farmers rely on bees to pollinate important crops like Oilseed Rape.

Oilseed Rape produces

-  Animal feed
-  Vegetable oil
-  Bio diesel

Oilseed Rape

the UK produces nearly 2,000,000 tons of oilseed rape per year

Bees like oilseed rape, it has high levels of nectar

Beekeepers like oilseed rape because bees produce a lot of honey

People like honey
